**23rd Annual
"Bow Tie-Bash"
July 4th, 2015**

Columbia River Corvettes is a non-profit organization located in the Longview/Kelso area. Each year on the first Saturday in July, we host a car show. This is our major fundraising event.

Since the first show in 1993, Columbia River Corvettes has donated over \$62,000 to local charities. They have included: Scholarships to LCC, Meals on Wheels, The Emergency Support Shelter, The St. James Family Center in Cathlamet, Cowlitz Humane Society, United Way of Cowlitz County, Neighbors in Need, Salvation Army Angel Tree and Food Pantry Fund Drive, Hospice, Community House, Children's Community Resources, Corvettes Conquer Cancer, Backpack Buddies, Hilander Dental, Relay for Life, Hood to Coast Run, Local School Gardens Projects, Children's Justice & Advocacy Center, The Lions' Club Camp Leo for Children with Diabetes, The Progress Center and High School Car Shows.

The success of our show is dependent on donations from local businesses, entry fees, and raffle ticket receipts. Columbia River Corvettes is asking for your support by donating a raffle item product or purchasing a "Sponsor Jacket" for \$100.00, which has replaced award trophies. **A limited number** of Sponsor Jackets will be available for businesses to purchase. The Sponsor Jacket will have their business name embroidered on the right sleeve, providing recognition of their donation. The Columbia River Corvettes' logo for the Bow Tie-Bash will be embroidered on the left side of the jacket.

We are asking jacket sponsors to choose the car that they would like to receive an award. On the day of the show, please have a representative from your organization report to the registration area before 11:00 AM for further instructions. If no representative will be attending the car show, please let us know before June 15th.

During the show, we will be recognizing those businesses that have made contributions and encourage participants to support these businesses.

Thank you for your generous support – without it, our car show would not be what it is today – Successful!

Columbia River Corvettes
